Happy summer, Seabeck family!

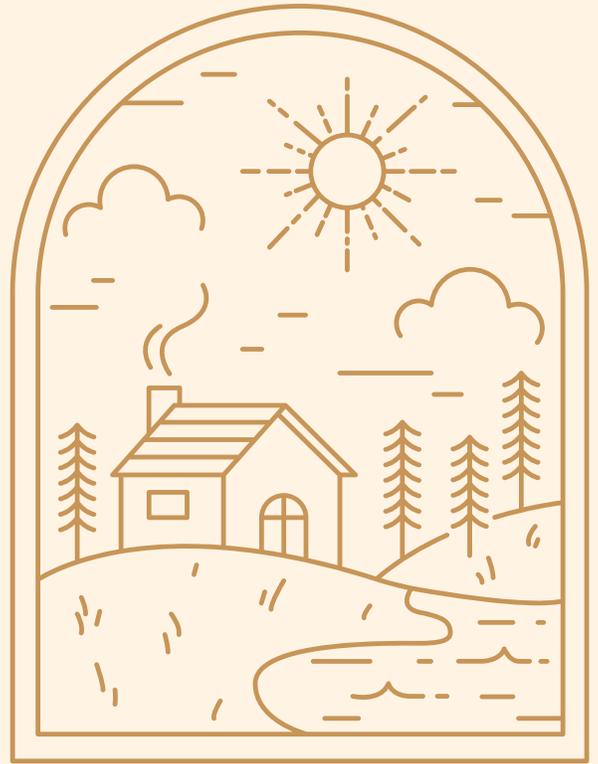

As we're slowly working our way out of the 6 months of rain, these recent days with sun and time spent outside is making me feel really excited for camp! I made my annual sunscreen purchase, broke out my sandals from the back of the closet, and am starting to see my calendar fill up as we plan for the months ahead.

I think it's incredibly special that as our families grow and change, our Seabeck tradition remains. In the year between, we all experience transitions (big and small), start new hobbies, find new favorites, make new friends, and so much more - but we all gather again between the lagoon and the forest in this little corner of the world to sing and play and be in gratitude together. Can't wait to see you there!

# Registration & Reminders

We have 131 full time campers this year, 18 of which are BRAND NEW! If you're interested in playing a key role in welcoming new folks to camp this year, get in touch with David McPete ([chickenmcpete@yahoo.com](mailto:chickenmcpete@yahoo.com)).

We want to make sure that everyone feels welcome, knows how to get to their cabin/what to expect the first couple of days of camp, and have some friendly faces to sit with at meals/events.

Some cabins have already filled up, so please be sure to send in your registration form to Missy Peterson if you haven't already to be sure you have a room reserved. A registration form [can be found here](#).

## Check-in Reminders:

- Check in will take place at the new Pines this year (instead of Juniper).
- Proof of a COVID vaccine or a negative COVID test within 72 hours of arrival will be required (for campers 2 years of age or older) per Conference Center guidelines.

## How to be a Great Lover

There is little doubt that Love is important to us. It is a virtue, a feeling, a drive, a choice, a calling, a gift. Without it, we most likely would not survive very long. With it, we grow, thrive and sometimes, even transcend. It is the stuff of legend, song, poetry, music, dance, art, story and spirituality.

The Christian Bible goes so far as to lift it up as the central nature of God's being. Needless to say, it is worth learning more about this.

By tapping into 5 Greek terms for love, we will spend the week exploring their meanings (in their healthy and decayed forms), their significance in our relationships, and finally how to be better at it. Join us, and learn how to be a great lover.

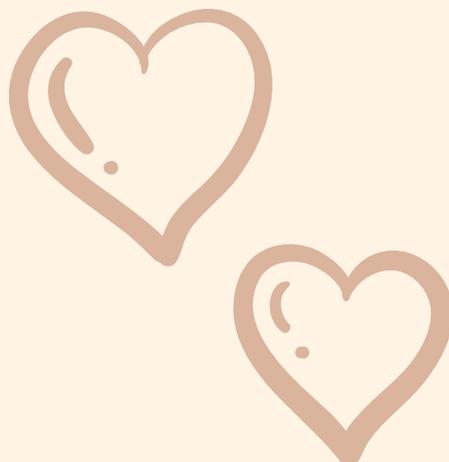

Day 1) Agapē: Self-giving love; divine love.

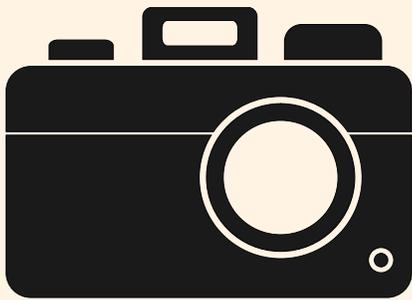

Day 2) Eros: Sexual love

Day 3) Storgē: Affection; familial Love

Day 4) Philia: Comradery; companionship, friendship

Day 5) Philautia: Self-love; self-compassion
