

THE FINAL COUNTDOWN

Final reminders before Seabeck 2022!

Check In

Check in is at **4:30** this year - the conference center has asked that we do not cross the bridge before 4:00, and this will give the team time to get set up. You are welcome to gather at Salmon Bake Beach (across the street) if you arrive a bit early.

Where do I check in?: There will be a number of check-in tables **outside of Pines**.

What do I need at check in:

- **Code of Conduct** form (signed by all family members)
- **Vaccine card** (or proof of a negative Covid test within 72 hours of check in)
- **Payment** - checks or Venmo payments (credit cards not accepted)

Introducing: The **Team**

We are excited to announce that we have developed a Welcome Team for this year's camp. Returning campers will serve as hosts and guides for the many new campers adorning our camp this year.

What will be different?

- A registration table set for **NEW CAMPERS ONLY**. This will hopefully alleviate any check-in stress for our newest camp family members.
- Families and adult campers will be joined with a Host that will help guide them upon arrival.
- The Host will **NOT** be related to the New Campers. This will help foster relationships easier and sooner.
- The Host will be available to provide a tour of the grounds, if desired.
- The Host will also be available to answer questions throughout the week.

Why a Welcome Team?

- New campers arrive amongst many campers that know each other, know what to do upon arrival, and know the camp. We hope this will get their experience of Seabeck off to a more comfortable start.
- The better the experience for **EVERYONE** in our camp, the stronger our camp becomes. Our New Campers of today join us as Ambassadors of tomorrow.

We can't wait to see everybody at camp.
God's blessings to you.

Snack Attack

If you have any snacks to donate to our all camp snack time, you can **bring those to Pines at check in**. Single serve snacks are especially awesome, but any snack will be appreciated!

Adult Crafts

If you're interested in doing some crafting this week, Adult Crafts will take place daily from 10:30-11:30 in the bottom floor of Reeser.

Supplies for rock painting, paint by number, and sticker crafts will be provided, but feel free to bring your own craft to work on! (Or, come on by just to chat!)

Cash

Once at camp, there are a few times you may wish you had a dollar or two on you! We'll have some cash raffles, donation opportunities, special snack purchases, and more - if you want to save a trip across the way to the ATM, you can bring a few bucks with you.

Packing Reminders

Remember last month when we reminded you about some additional things you may want to pack? Here it is again (and more!), now that it's really time to start packing!

- Kite
- Stuffed animal and fun outfit (for teddy bear parade and treat walk)
- Items to tie-dye
- Costumes for medieval times
- Swim suit & waterproof sandals
- Sunscreen

Photo Sessions

Don't forget to pre-book your family photo shoot with Cambrae - space is limited, so we recommend signing up as soon as you can to ensure your slot!

Here's a link to sign up:

Small Groups

If you'd like to volunteer to be a small group leader, be sure to sign up at check in!

Food Drive

Once again we will reach out of our Seabeck family to the Seabeck community by way of a Food Drive.

Please bring a non perishable item to camp. Also welcome are: toothpaste, tooth brushes, soap, wipes, etc. **Donations will be accepted at Check In.**

Now here is the usual challenge: Bring 1 item per family member coming to camp. To go one step a little further, here's another challenge: Ask family, friends, coworkers, etc, if they will contribute 1 item per their family members, then bring those items to camp. Simply look for The Giving Trees when you arrive and leave your item(s).

Thanks so much for taking part!

Activities Wishlist

There are still some items remaining on the Activities Wishlist - if you'd like to grab one of these items, [be sure to 'reserve' that donation here](#)
